6 hrs
CPD

Perfect Preps from Start to Finish

Saturday 28 January 2017

Dental Professionals Limited

Presenter

Professor Brian Millar

BDS (Dundee) FDSRCS(Eng) PhD (Lon) FHEA

Professor of Blended Learning in Dentistry at King's College London and NHS Consultant in Restorative Dentistry at the King's College London Dental Institute at Guy's, King's and St Thomas' Hospitals. Specialist in Prosthodontics and in Restorative Dentistry. Programme Director for the internationally popular MCLinDent (Fixed & Removable Prosthodontics) and in the past set up the highly successful MSc programmes in Aesthetic Dentistry and also Advanced General Dental Practice by blended learning at the KCL Dental Institute.

Over 35 years experience in clinical practice and currently an active specialist clinician in both hospital and private practice, particularly in treating tooth wear, aesthetic and occlusal problems utilising MI philosophies where possible.

Experienced teacher to undergraduates and postgraduates and well-known provider of postgraduate education nationally and internationally at conferences through lectures, seminars, webinars and hands-on courses.

Published over 180 papers, supervised over 200 PhD and Masters students, involved in setting up MOOCs with over 20,000 students. As well as the silencing the dental drill, research includes management of occlusal problems using MI techniques, bringing together aesthetics and function with a focus on tooth preservation.

BOOK NOW!

Content

The course is a blend of seminar and hands-on, to cover:

Aesthetic assessment of patients with aesthetic needs including smile design techniques.

Test driving the outcome before preparation. Tooth preparation dimensions and techniques, selection of burs and handpieces.

Impressions for difficult clinical situations.

Provisional restorations.
